NORTH CAROLINA WILDLIFE FEDERATION

CROWN

Charlotte, **Reconnecting Ourselves With Nature**

Monarchs!

Thursday
April 16th
7pm to 8:30pm
(doors open at 6:30PM)

Queens University
1834 Selwyn Ave.
Charlotte, NC

Rogers Hall,
Duke Auditorium

For a campus map and parking
options, see our website below.

www.crowncharlotte.org

Did you know that Monarchs can travel well over 50 miles in a single day? The striking monarch butterfly is tougher than it looks. This tiny flier undertakes an incredible 2,000+ mile journey every winter in search of a few specific mountaintops in the fir forests of Central Mexico.

Learn how and why in a special program brought to you by CROWN's leadership team members;
Leigh Anne Carter and Nancy DeVries.

Learn what you can do in your yard to help their numbers and receive a free color pamphlet on Monarchs and other butterflies

Please join us on Thursday, April 16th. Doors open at 6:30PM

Free parking!
