(Basement floor)

February Community Program:

“Got Amphibians?”

Frogs, toads, & salamanders - all are a sign of a healthy ecosystem. **Stephen Hutchinson, from Mecklenburg County Park and Recreation’s Natural Resources**, will fill us in on the status of our region’s amphibian population and what you may see in your own back yard.

Also: Find out how your family can be a part of our city -wide effort to certify Charlotte as a “Wildlife Friendly Community”.
