We'll meet at the parking area for Buzzard Rock Trail, past the Carolina Raptor Center, and hike a short distance to the overlook at Mountain Island Lake. Along the way there will be special places to look and listen for wildlife and explore nature. Latta Plantation Nature Preserve is 20 minutes north of Charlotte

"I Spy..." is a free community program whose purpose is to reconnect families to the many parks, nature preserves, greenways, & special places right here in Mecklenburg County.

"I Spy..." is a partnership program between CROWN and NCWF's Great Outdoors University.
