**Charlotte's Coyotes**

**CROWN** invites you to our November 14th meeting, featuring Chris Matthews, Division Director, Nature Preserves and Natural Resources with Mecklenburg County Park and Recreation.

The coyote is not native to our state but has recently become very common throughout our region and even in suburban Charlotte.

What brings them here and how do we cope with this new permanent resident? Don't miss this special presentation by Mecklenburg County's regional expert.

Please join us and bring a friend, on  
Thursday, November 14th, 7PM,  
at Queens University
