Wild on the Water is CROWN's annual fund raising event which includes a guided paddle tour on beautiful Mountain Island Lake around Latta Plantation Nature Preserve. Through our partnership with Mecklenburg County Park and Recreation, we learn about local flora and fauna as well as facts about our region's drinking water source. Participants enjoy an easy paddle tour with a close up encounter of an active Osprey nest and aquatic plants in bloom. Lunch is provided along with shore activities for the kids and regional environmental news and information. A great way to experience nature! We wrap up the morning with our special raffle featuring the Grand Prize of a kayak donated by Great Outdoor Provision Co. as well as other great raffle prizes!

Support this event by participating with your canoe, kayak, SUP. If you don't have one we can provide one for you (*limited quantities available*). Volunteers are welcome too. Show your support for our region's wildlife and their habitat.

Registration required. Come paddle with us!
